

Announcement of Lecture and Examination Periods as well as other important dates for the winter semester 2025/2025 by the THWS Examination Board on 29 February 2025

Version: 29th February 2025

Date	Description
Wed, 01 Oct 2025	Start of winter semester 2025/2026
Wed, 01. Oct 2025	Start of lectures according to notification by faculties
Fri, 03 Oct 2025	National holiday (<i>Tag der Deutschen Einheit</i> , no lectures)
Wed, 01 Oct to Fri, 34 Oct 2025	Access to exams written in the summer semester 2025. Upon application, access is given to students in person or to a representative with written authorisation. During the entire period, access to exam papers can be granted in IT-supported form. However, a claim to access in IT-supported form does not exist. The modalities of this access (type, place and time) will be determined by the examiners and announced in an appropriate manner. With regard to the exams of sessional lecturers (<i>Lehrbeauftragte</i>), the modalities of access are determined and announced by the responsible examination committee. Note, that no catch-up dates are offered if you are prevented from attending.
until Fri, 24 Oct 2025	Faculties inform the Department of Student Affairs (HSST) about their courses/modules to be examined in the winter semester 2025/2026 based on a university-wide standardized Excel template. (Please adhere to the deadline in order to enable timely processing by the HSST)
